

## **REMARKS**

The application includes claims 1-19 prior to entering this amendment.

The examiner finds claims 3-6, 8-9, and 12-18 allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

The examiner rejects claims 1, 2, 7, 10, 11, and 19 under 35 U.S.C. § 102(e) as being anticipated by Jeon et al. (U.S. Patent Application Publication 2004/0109508).

The applicant amends claims 2-10 and 12-18 and cancels claims 1 and 11 without prejudice.

The application remains with claims 2-10 and 12-18 after entering this amendment.

The applicant adds no new matter and requests reconsideration.

## **Allowable Subject Matter**

The applicant thanks examiner Ghebretinsae for indicating allowable claims 3-6, 8-9, and 12-18. The applicant rewrites claims 3, 5-6, 8-10, 12, 14, 17, and 19 in independent form to include all the limitations of the corresponding base and any intervening claims. Claims 2, 4, 7, 13, 15-16, and 18 depend from allowable independent claims. All remaining claims 2-10 and 12-18 are in condition for the examiner's allowance.

## **Conclusion**

For the foregoing reasons, the applicant requests reconsideration and allowance of the remaining claims. The applicant encourages the examiner to telephone the undersigned at (503) 222-3613 if it appears that an interview would be helpful in advancing the case.
